Dear Parents/Guardians:

We are very pleased to let you know that the BC Teachers' Federation (BCTF) and the BC Public School Employers' Association (BCPSEA) have reached a tentative agreement.

We are currently awaiting details on the ratification, which will include a vote by members of the BCTF and a vote by the Boards of Education of British Columbia. If the agreement is accepted, we will do everything possible to welcome our students, teachers and staff back to school as soon as possible. We will be communicating further details as soon as they are available, including opening day routines.

We look forward to the return of students and staff in our schools.

Yours truly,

A handwritten signature in black ink that reads "Karen Nelson".
